**IMPORTANT
ANNOUNCEMENT**

Have you moved? Changed your mailing address? Got rid of your landline phone? Please contact our office to ensure your contact information is up to date. Up to date information is vital to ensure staff members can reach you in the event of an emergency, sickness, etc.

Grade 10 students sat in History 10 watching a neighbour across the street and immediately wanted to help with the large amount of snow. So they chose to do a good deed.

Our halls are quiet these days with the seniors writing final exams. We are looking forward to a new semester starting February 4. This second semester always flies by as we have a couple nice breaks to look forward to.

I'd like to thank our parents for all their great support this year. We've really enjoyed the activities that parents bring to our school, such as having Mrs. Brass-Toto come and make bannock with our cooking students, having the SCC come and make hot chocolate for us on buddy reading day, and so many parents and community members helping with our Christmas celebrations. Thank you parents for driving students to games and activities, and volunteering your time at events like ice fishing and running our canteen at tournaments. We appreciate our parent coaches and all the support parents give our young athletes at sporting events. Thank you for your enthusiasm as fans and for modeling excellent sportsmanship. This helps us promote and maintain our culture of sportsmanship that we are so proud of at CCS. Thank you for attending meetings and collaborating with us to support your students.

In the coming semester we will have parents painting Ukrainian Easter Eggs with our students, involved in our Awards Night, and planning Grad. We really appreciate your positive involvement with all our students. Our School Community Council has been an amazing support as well, and they are looking for more members if that interests you.

Thanks to all of you, Canora is a great community for our children to grow up in!

TO OUR COUGAR FAMILIES

**Please do not send your students to school prior to 8:30 a.m.
Student supervision does not begin until 8:30 a.m.**

**Thank you for your cooperation in ensuring that all cougars are safe
with appropriate supervision!**

**Canora Composite School is in
need of ice skates and helmets,
adult sizes 4 to 10. They will be
used for our school skating events.**

**If you have any of these items that
you no longer need and would like
to donate them to this cause, we
would be extremely grateful.**

Please drop off your kind donation at the CCS office.

thank you to Sharon Ripa for her kind donation of skates.
