## 2021-22 School Year Calendar Survey

Two options for the 2021-22 School Year Calendar have been jointly developed by representatives from CTTCS, GSSD, and local Teachers' Associations.

Please examine both options and then complete the following survey: [GSSD 2021-22 Calendar Options Feedback](#).

**The survey will close on  
Monday, February 8, 2021.**

# Yearbook 2020

The CCS Yearbook Committee want to announce to all those who purchased a yearbook for the 2019/2020 school year that it is still being developed. The Committee apologizes for the delay in delivering it, and at this time a publishing date has not been determined. There are a lack of photos and things to the school was shut it a challenge to complete the yearbook to satisfaction. We appreciate everyone's patience, and please receive your copy of the yearbook when it is ready. Keep an eye out for more updates from the school year.

write about because down, which is making complete the yearbook to satisfaction. We appreciate, and please receive your copy of the yearbook when it is ready. Keep an eye out now until the end of

Here is a sneak peek at what the cover will look like!

## Broken Hockey Sticks

Mr. Hoffman's grade 7A PAA class is looking for anyone who has broken hockey sticks they would be willing to donate.

If you have any or know of anyone who does please drop them off at the school.

Thank you 😊

## 6A SCIENCE

### Static Electricity

### Balloon Experiments

6A

## Battery/Fan Powered Cars

# News from the Principal's Desk...

Well, we are through a month of the new year and we are grateful of the fact we remain face to face with our students and continue to provide engaging educational activities for them rather from a screen. For our grade 5-8 students, we begin a new semester starting Tuesday, February 2nd, while the grade 9-12 students continue with B3 until March 8th. Term 2 for our grade 5-8 students ends on March 19th.

We are also in the process of rolling out a new parent portal on our new gradebook (EDSBY), which should be available to all parents of our school by next week. Instructions on how to log in and navigate the system will be forthcoming and allow parents to view the report card online as well as communicate with our teachers. The grade 9-12 students and parents will also be able to see the gradebook for their marks, for the courses they are currently enrolled. We are hoping this will allow parents to be more up to date with their child's education. If you have further questions or concerns, please feel free to contact myself, Mr. Serdachny or a teacher to discuss any matters of education or our Covid response at the school level.

We are limited by what we can do for the students here at school by the Covid virus, but we will continue to be vigilant to ensure the health and safety of all our staff and students here at CCS. We are thankful for the support shown with regards to staying safe and healthy and we hope it continues. Thank you once again from all staff here at CCS.

*Kim Eiteneier*, Principal at CCS
