Grade 11 and 12 Science Fair

Once again we are in the countdown to Christmas! It's a busy, busy scene here at GCS, with Christmas concert practice, preparations for our Christmas dinner, decorating, and SRC contests. I bet Santa's workshop wasn't even this hectic before Christmas!! We will do our best to give your children a lead-up to Christmas that is exciting, interesting, engaging, and teaches teamwork and cooperation.

I'd like to thank all our teachers at GCS for their dedication to kids. These are the people that arrange community events, Christmas plays and choirs, fun activities that foster a sense of belonging, while still coaching teams and doing the hard work of ensuring every child receives the academic support they require.

From all of us at GCS, we wish each of our families peace, safety and joy over the holidays. We hope you enjoy time with your families.

Merry Christmas
