Spring has Hatched at CCS!

Early this month students got to enjoy a batch of newly hatched chicks in the school. Pictured below is Jesse Shannon a grade 5 student at CCS helping to feed a couple of them.

All report cards will be handed out on June 26th at 3:05pm. Report cards not picked up by 11:30am on Friday, June 28 will be kept in the office until the fall.

Clothing Drive Fundraiser

Canora Composite School will be holding a Clothing Drive in coordination with the Saskatchewan Association for Community Living. There is absolutely **NO COST** to you. Simply clean out your closet, and bring your clean, gently used clothing, shoes, boots, jackets, linens, and other wearables and **MAKE A DIFFERENCE!**

**LOCATION: Canora Composite School
(Front Entrance)**

Please stop by office to receive a tag to put on your donation.

DEADLINE: June 19th

All items should be clean, bagged in black bags & in sellable condition.

**All proceeds raised support
CCS Student Programming
and
Community Living.**

What to do if you find a needle in the community

Needles (sharps) are items that may be contaminated with body fluids, such as blood, and can puncture or cut skin.

Children should **NOT TOUCH** the needle and should show an adult where it is.

Do **NOT** try to put the cap back on.

- Place a sharps pail or hard plastic container on the ground, do not hold it
- Pick the needle up carefully by the end that is not sharp. Use tongs, pliers, tweezers, or a gloved hand.
- Once in container, cap with lid, label and tape shut.
- Wash hands or clean with hand sanitizer.

Do **NOT** place used needles in the garbage or recycling!

I've been poked by a used needle! NOW WHAT?

1. Stay calm. Risk of infection from tetanus, hepatitis B, hepatitis C, and HIV is very low.
2. Let the wound bleed freely. **Do not** squeeze, suck, scrub or rub the wound.
3. Wash wound with soap and water right away.
4. See a health care provider right away.
